

Cantine Federici La Baia del sole

SOLARIS – VERMENTINO DOC

COLLI DI LUNI

€ 13,00

CL: 75

The name Solaris derives from Latin and means 'sun' and was chosen not by chance to emphasise the importance of the exposure of the vineyards on the hills surrounding the historic Luni plain called the 'hills of the sun'.

Alcohol content: 13%

Type: Still white wine

Region: East Liguria

Area: La Spezia

Vineyards: Vermentino

Vinification: Careful selection of grapes, very soft vacuum pressing using only free-run must. Cooling to 10-12 °C with natural decanting. Fermentation at a controlled temperature of 16-17 °C for 15 days. Maturation from 50 to 90 days on fine lees. Maturation in steel until February.

Description: Brilliant straw yellow

Perfume: Captivating aromas of white flowers with pleasant sensations of peach and golden apple

Taste: The fresh and elegant palate shows great structure, beautiful minerality and considerable body, with a long and pleasantly drinkable finish

Matching Also ideal as an aperitif, it was born to be paired with hors d'oeuvres to the most demanding fish dishes

Service temperature: 10 – 12 °C
